

Trex® Fencing

www.TrexFencingFDS.com

BEAUTY AND PRIVACY FROM EVERY ANGLE

THE TREX ADVANTAGE

Made from reclaimed wood fiber and recycled polyethylene, Trex Fencing offers unprecedented performance and aesthetics. With lasting beauty, low maintenance and high performance, it's exactly what you expect from Trex, the perfect fencing solution for your home, communities, and commercial applications.

Trex composite won't rot or splinter

Trex never needs to be painted or stained

Trex withstands 130+ MPH windloads

Resistant to termites and other pests

Trex materials are manufactured in the USA with 95% recycled contents

Your outdoor living space deserves a worthy picture frame

Making good on promises, Trex warranties provide peace of mind

Protect what matters to you. Trex Fencing maintains full privacy always

BEAUTY + OPTIONS

How Outdoor Living Should Feel

Seclusions

Vertically-oriented pickets with a traditional cap & trim, board-on-board look

Horizons

Horizontally-oriented pickets with black metal frame with a contemporary privacy look

Solitudes

Horizontal-oriented pickets with composite top and bottom rails for a hybrid look of traditional and contemporary elements

Shenandoah

Decorative rail fence available in 2-, 3-, and 4-rail configurations with routed posts

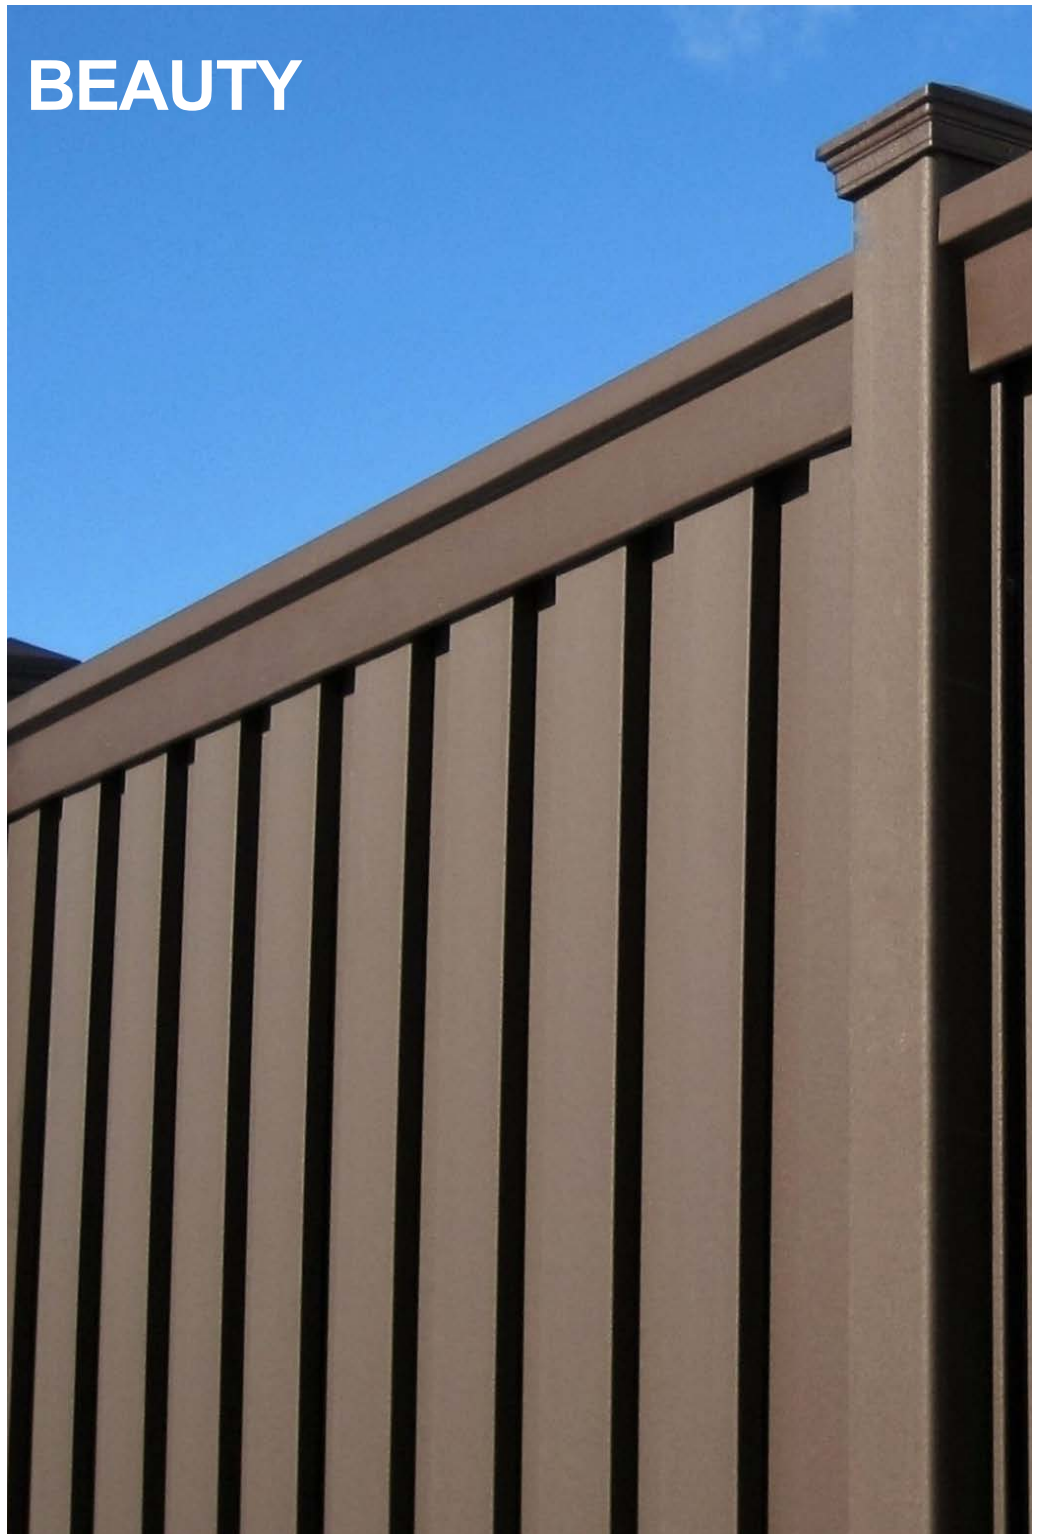

LONG LASTING & DURABILITY

BEAUTY

Trex Seclusions™

- » Our unique interconnecting picket design provides unprecedented strength
- » Good-neighbor fence. Clean, finished appearance on both sides
- » Proprietary bracket design allows for easy racking on slopes
- » Installs with posts on 8' centers to save time, labor, and materials
- » 6' H Seclusions meets Miami Dade wind load certification of 130 MPH steady winds and 147 MPH wind gusts

SETTING A NEW STANDARD IN HORIZONTAL FENCE

Trex® w/ Horizons™

.....
Designed to provide a privacy option in increasing popular modern homes and communities

.....
Perfect for residential and commercial applications. Trex elevates your outdoor space and expectations

OUTDOOR LIVING AT ITS FINEST

Trex Solitudes™

Merging two popular styles. Introduced in 2019, our Solitudes line combines the look of Seclusions and Horizons

Solitudes offers the same fully privacy of the other systems and the same sturdy, durable attributes that contribute to the longevity you can expect from Trex

REDEFINING OPEN SPACES WITH DECORATIVE RAIL FENCE

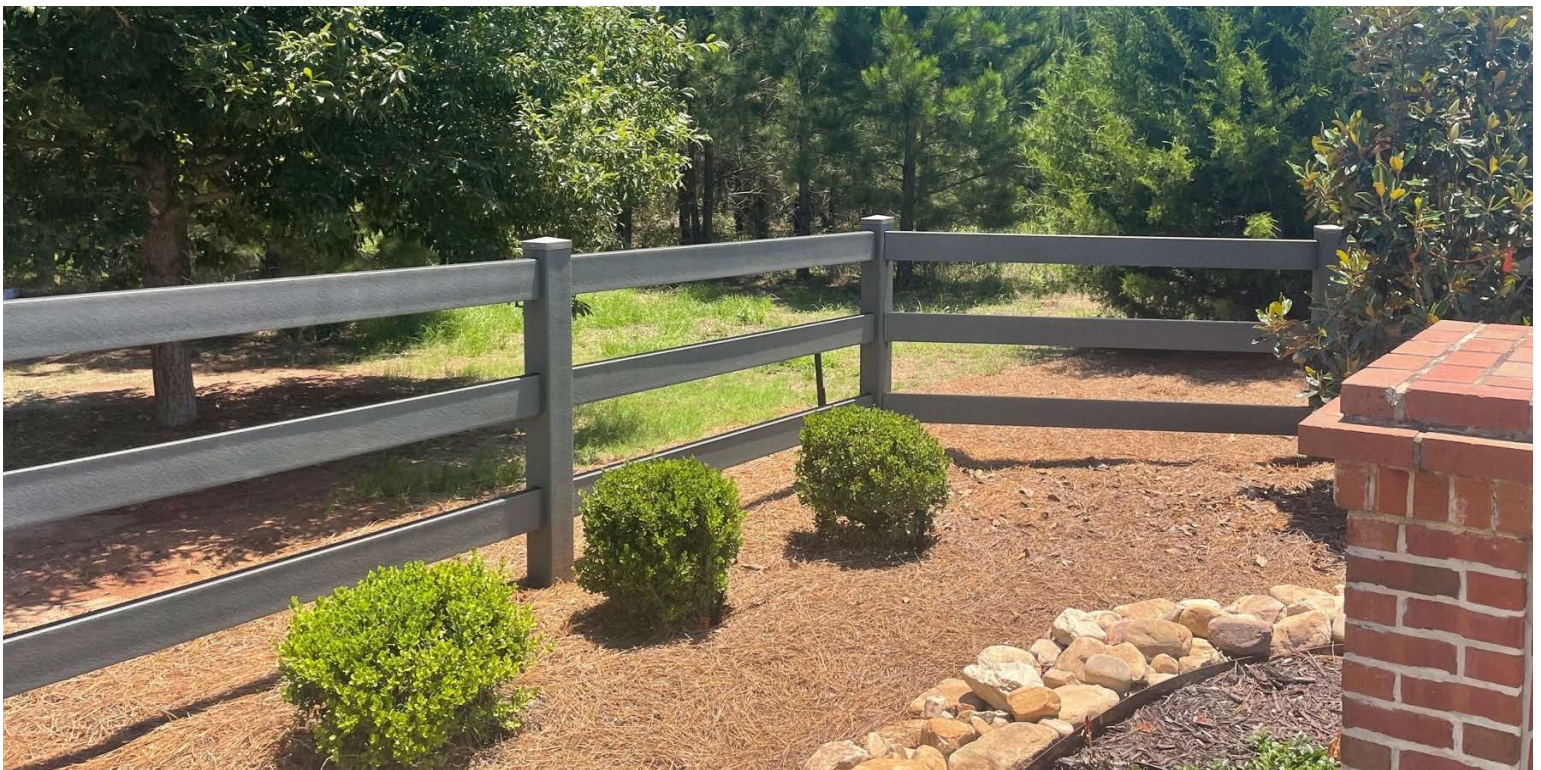

Trex® w/ Shenandoah™

.....
The most innovative rail fence combining
Trex composite with a patented rail insert

.....
Available in 2-, 3-, and 4-rail configurations.
Shenandoah provides a head-turning
border for your open spaces

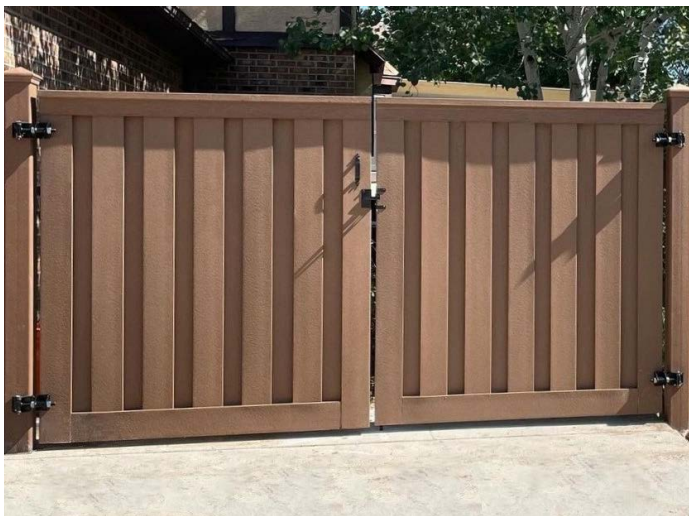

Trex® GATES

Our gates are reinforced with a steel frame and are designed to match the look of the fence. Your gate follows the elegant lines of a Trex fence seamlessly

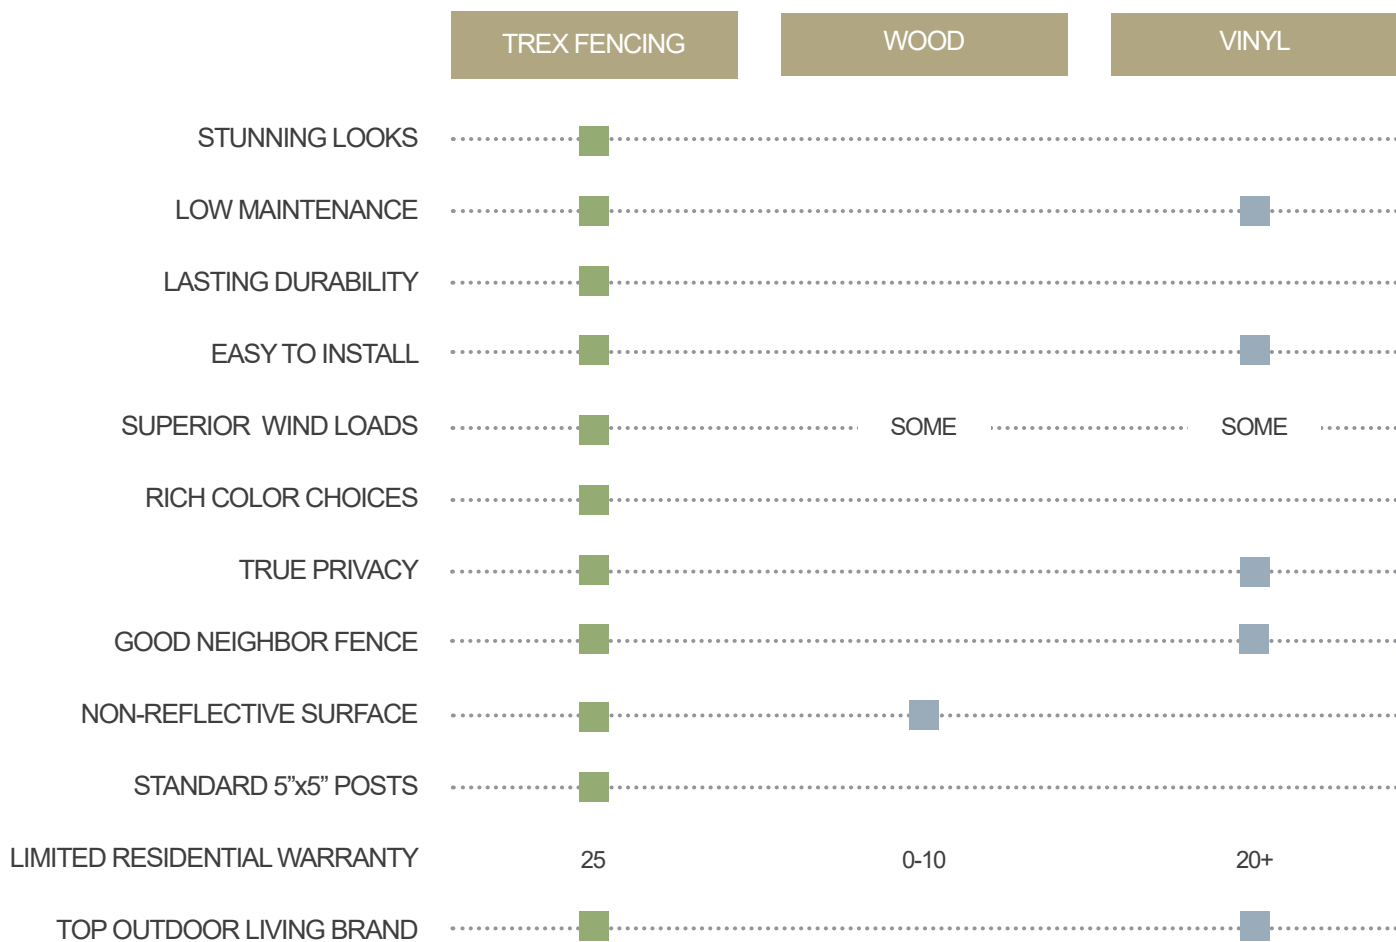

Available in single and double configurations. Perfect for residential and commercial applications

THE LOOK OF WOOD WITHOUT THE MAINTENANCE

THREE RICH, NATURAL COLORS
